REMEMBER

FIRE AND LIFE SAFETY STARTS WITH
YOU

FIRE ACCIDENTS MEANS
LOSS OF LIFE
LOSS OF PROPERTY
LOSS OF BUSINESS
LOSS OF ECONOMY

STAY ALERT. STAY COMPLIANT. SAVE LIVES.

Fire accidents are preventable with your awareness and action. Every staff member is responsible for fire safety. Regular checks and good housekeeping prevent disasters.

“Immediate action is required if your facility fails these requirements. Non-compliance may result in fines, business closure or tragic loss. All warehouses and factories must meet Sharjah Civil Defence Authority fire safety standards”
